12 Car Rally 19 November 2021

Round 3 of the Weald MC 12 Car Challenge 2021/22

MARSHALS NEEDED

This event has a full entry, carried over from last year (when it was affected by the second covid lockdown). But we do need plenty of marshals.

The event starts and finishes at the Bell in Kemsing (OS188 555587) and is all on Map 188. Friday November 19th from 7.00 PM to 10.30 PM.

The more marshals we have the better the event is. Experienced or beginner, we can use everyone.

Please contact me if you can help.
